### **Leeds Local SEND Offer – Consultation**

Leeds has a legal obligation to publish their SEND Local Offer; setting out the support available for local children and young people with special educational needs and disabilities (SEND).

Local authorities must publish a Local Offer, setting out in one place information about provision they expect to be available across education, health and social care for children and young people in their area with special educational needs and disabilities, including those who do not have Education, Health and Care (EHC) plans. In setting out what they ‘expect to be available’.

The purpose of the Local Offer is

- to provide clear, comprehensive, accessible and up-to-date information about the available provision and how to access it, and
- to make provision more responsive to local needs and aspirations by directly involving disabled children and those with SEND and their parents, and service providers in its development and review

Full details of their legal obligations can be found in the [SEND Code of Practice](#)

The [Leeds Local Offer website](#) was developed in 2014, however the website is not widely known or used. They are now looking to redesign the website so that more families and professionals use it to find out the information they need to know.

The new website will have three sections

- I am a child / young person
- I am a parent / carer
- I am a professional

Leeds are consulting with children and young people with SEND as well as their parents / carers and the professionals working with them. The consultation period will end on the 31<sup>st</sup> October 2020.

**All documents relating to the consultations can be downloaded [here](#)**

If you are a parent with a child who has Special Educational needs, we would encourage you to take part in the Leeds SEND Local Offer Consultation.

Yours faithfully,

Mrs Kath Walsh  
Assistant Headteacher / SENCo
