

Pudsey Bolton Royd Primary
School

'Succeed today, prepare for tomorrow'

'A happy, welcoming, school community where we all
engage, achieve and excel.'

Safeguarding Statement

At Pudsey Bolton Royd Primary School, we are committed to the safety and well-being of all children in our care. Through a safer recruitment policy and safeguarding procedures, staff and governor training, we ensure that children are safe, happy and healthy.

Within school we are fully aware of our roles and responsibilities regarding safeguarding our children, should you have any concerns, with regard to safeguarding issues, please contact the Headteacher, Family Support Manager or Designated Safeguarding Leads.

In addition, school has four Child Protection designated trained members of staff, namely Mrs Morton (Family Support Manager), Mr Buck (Headteacher), Mr Kilner (Assistant Headteacher) and Mrs Sharp (Teacher in charge of Nursery) who have attended Designated Safeguarding Leader training and are your first point of contact with any issues or concerns. Their pictures are displayed around school on 'Safeguarding Team' posters.
