

Our ref: MME/HFT  
Date: 30<sup>th</sup> September 2020

Dear Parent/Carer,

Pudsey Grange School has been one of the most rapidly improving schools in the country for several years and as a result we are now achieving outstanding exam results for our students with performance which is now in the top 20% of schools nationally. However, outstanding exam results are only part of the picture. The care and support that we offer our students, combined with excellent teaching and high standards of behaviour, has meant that our students feel valued, develop a wide range of knowledge and skills and enjoy coming to school.

We have the largest school-based Sixth Form out of all eight secondary schools across the west of Leeds with over 240 students. This allows us to offer students a full range of subjects and successfully allows students to follow their chosen pathways to their future careers, including regularly sending students to some of the best universities in the country.

As a result, we are one of the most oversubscribed schools in Leeds with over 300 first choice applications for 195 Year 7 places. Due to Covid-19 restrictions we will not be holding our regular in-school Open Evening. However, we will be running a virtual Open Evening in October to provide parents and their children with more information about our school.

If you are interested in our virtual Open Evening, please go to our website at [www.pudseygrange.co.uk](http://www.pudseygrange.co.uk) and click on the pop up link.

Yours sincerely,

**Mr M McKelvie  
Principal**
